### STROUDWATER PRESERVE TO HOLD GROUNDBREAKING AND OPEN HOUSE EVENT AUGUST 15, 2018.

**August 10, 2018** - On August 15, 2018 at 4 p.m., members of Stroudwater Development Partners, LLC will gather at 1700 Westbrook Street in Portland, ME where nearly 100 single-family homes and 25 townhomes will be constructed over three phases. The Groundbreaking and Open House event is open to the public and is an opportunity to introduce potential homebuyers to the development and to also thank members of the community who have helped move the project forward.

Stroudwater Preserve homes are exclusively marketed by David Marsden of the Bean Group (6 City Center, Portland, ME) who will be on hand at the event. A sales office is located on site where visitors can see samples of home finishes, including a full exterior building façade. Regularly scheduled open houses will offer buyers a chance to tour lots and explore homes styles and floor plans.

Members of Stroudwater Development Partners, Mike Barton, Nate Libby, as well as Jason Collard would especially like to use this event to thank all those who support the

development and are helping make it a reality. They will both be on hand to share their vision of what the 55-acre parcel will become and to walk the property with attendees. Refreshments will be served. For more information on the event, please contact David Marsden at [davidm@marsdenrealestate.com](mailto:davidm@marsdenrealestate.com).
